Tees

Gents – Gold Tee Markers

Ladies – White Tee Markers (use men's stroke indexes)

Format

18 Holes Matchplay

Handicaps

Full difference. For example, a 9 handicapper would give 9 shots to an 18 handicapper as per the stroke indexes. (Maximum for Gents 24 & Ladies 36)

Plate Trophy

Players who fail to win the first round of matchplay will have a chance of redeeming themselves by playing to be awarded the plate trophy.

Applying Handicaps in Handicap Match

You and your opponent should tell each other your handicaps before the match. If you declare a wrong handicap and don't correct the mistake before your opponent makes a stroke:

If the declared handicap is too high and this affects the number of strokes you get or give, you are disqualified.

If the declared handicap too low, there is no penalty and you must play off the lower handicap.

Handicap strokes are given by hole, and the lower net score wins the hole. If a tied match is extended, handicap strokes are given by hole in the same way as in the round.

Concessions

You may concede your opponent's next stroke, a hole or the match, but a concession is only made when it is clearly communicated. A concession is final - you cannot withdraw it once made and your opponent cannot decline the concession.

General Rules

A player in a match failing to arrive at the arranged time for a match will lose the first hole and if more than 8 minutes late will be disqualified.

The honour on the first tee will be in order of the draw i.e. Top drawn player tees off on first hole of match.

MEMBER TOURNAMENTS 2020

In the event of a match being all square after 18 holes, **extra holes will be played under the same handicap allowances until** a hole is won (sudden death). It is expected that all matches will commence on the 1st hole. However if the match is all square and finishes under floodlights players are advised to play extra holes (sudden death) by starting on the 10th.

Where play during a match was, by mutual agreement, suspended (e.g. illness, injury, prevailing weather conditions) the match shall resume at the point on the course where play was suspended. If play was suspended on completion at the 7th hole, then play would resume on the 8th tee. If play had been suspended during play of the 7th hole, play would resume at that exact point. In the event of a match being suspended, the match will only resume when mutual agreement has been reached on the day and time.

Arranging Match Dates

The responsibility for arranging any match lies equally with all players.

When the time and date has been agreed it may only be altered with the mutual agreement of both sides.

The closing date for each round will be stated on the draw sheet and will not be varied. Failure to post a score by the closing date will result in both players being disqualified.

Scoring Please inform a club official of your **result** and mark it clearly on the draw sheet on the events board.
